

DORSET ROAD RACE LEAGUE

2024 RACES ANNOUNCED

Below is the planned list of DRRL, DCC and U17 races for 2024. As in previous years, if any events aren't able to go ahead, there may have to be changes.

We ask affiliated Clubs to promote the list amongst their members and encourage them to support these races. If any can go on Club Championship lists that would be much appreciated by the race organisers.

The DRRL committee has tried hard to vary the events selected. However the pool of events to choose from has become smaller. Whilst some races have been lost over the years, some clubs are looking to revive their races and even introduce some new events. Watch this space!
