For U17 Races

Clubs are requested to promote that their event is an U17 selected race on their entry system and are asked to consider a 15 to 17 age category.

For County Champs

Race Entrants are required to confirm that they wish to enter the Dorset County Championships and that they have read the criteria for entry. These conditions can either be on the entry form or a link to them. Most just put a link to the criteria and a tick box for those who wish to enter. Entry criteria is http://drrl.co.uk/wp-content/uploads/2022/11/DORSET-COUNTY-CHAMPIONSHIPS-2023-.pdf

Ideally there should be a participants list of County Championship contenders.

After the race either:-

- A separate results sheet is published just and only for the Dorset County Champs using both “Open” and “Masters” (40+) age categories.
  Or
- The DRRL is supplied with a list of runners who “ticked the box” to confirm that they wished to enter the Dorset County Champs and confirmed that they meet the entry requirements.
